## Cabernet Sauvignon

After boldly wrestling Independence from Mexico in 1836, The Republic of Texas stood strong and proud until the Lone Star took its place in 1845 as the 28th state. True to its heritage, the Texas wine industry bottles world class premium wines with the unique accent of Texas. We went to the Hill Country of Texas and asked Hill Country Cellars Winery to handcraft this premium wine to complement the superior tastes of our Texican menu. Bottled under our own Republic of Texas label, this wine captures the "Taste of Texas", creating a dining experience found only here in the Lone Star State.

I proudly handcrafted this wine for you. Enjoy,
